Kia Ora Vogeltown Whanau,

Well winter is getting closer, and the weather is beginning to turn. We know it's getting close to winter at Vogeltown when the huge tree outside Rm 7 drops its leaves and covers the court! Mr Sole loves this time of year!

It has been awesome to see so many of our kids involved in winter sports and they really look flash in their Vogeltown sports uniforms. A huge thanks to all the coaches who are giving up their time to take our school teams - we really appreciate it!

We have the Life Education mobile classroom in operation next week, If you would like to have a look inside the classroom or have a chat with Megan Lilley, Life Ed teacher, the mobile classroom will be open on Tuesday 19 May from 3pm till about 3.30pm. We will also have a session for anyone with pre-schoolers to view the Life Ed classroom at the senior school site 9.00am this Friday.

Our school goal for this week has been, (and it will continue next week as well):

"To ensure our playground is an exciting and safe place to be"

- being involved
- helping others
- reporting anyone being inappropriate

It has been great to see so many kids involved in various activities during break times - even with this pesky Autumn weather. Ka Kite Ano, Jeremy Ogle - Principal

Welcome to Alberta Mansvelt & Jamian Jansen, Rm 1, who have started with us this week
